

29-Day Guarantee

- Red Door Realty Group guarantees that we will sell your home in 29 days or less starting at 11:59 pm of the day the property is listed on the MLS, and ending at 11:59 pm of the day an offer is presented.
- If within these 29 days there is no offer presented, we will continue to market the property and will waive the listing broker marketing fee when the home is eventually sold
- In compliance to the 29-Day Guarantee, the sellers of the home must allow Red Door Realty Group to list the home at a fair market-value price and adjust the price if there is little to no interest within the first two weeks of listing the property, determined by the number of showings and feedback from showings
- Sellers also must comply with showings, allowing interested parties to view the home at desired times within a set time frame and with prior notice
- Sellers must allow Red Door Realty Group to fully execute their marketing plan, without delay or hesitation
